

Workshop

EURO 2017

**Eurocodes 2017 Workshop – The Eurocodes for Building Design
Eurocodes and Egyptian Codes of Practice: Code and Design Experiences
The German University in Cairo
7th to 8th of October, 2017**

Workshop Objectives

In our Second workshop Euro2017 we aim to present the philosophy of the Eurocodes along with examples, in addition to significant changes that are present in the new version of the Egyptian Concrete Code, ECP 203-2017. The new Code ECP 203-2017 has been recently officially approved as the new formal “Building Code for the Design and Construction of Concrete Structures” in Egypt in accordance with the ministerial decree # 712, in August 2017 replacing the ECP203-2007 Code. The workshop also provides applied knowledge and design experience about the main features, standards and procedures for designing different structural members of buildings according to the both Eurocodes and Egyptian code.

Who Should Attend

Structural engineers, academics, consultants, civil engineering students, researchers, code-policy makers, contractors and industry professionals

Registration Details

For individuals: Registration fee is 1400 L.E. per participant.

For groups: Registration fee is 1250 L.E. per participant.

Fees includes workshop material, lunch, and tea/coffee breaks for the entire 2 days of the workshop.

For registration procedures, please fill in the registration form and send it by e-mail to the workshop coordinator and you will receive e-mail with the payment details/procedures

Workshop Coordinator:

Dr. Mona Badr El-Din Anwar

Associate Professor of Geotechnical Engineering
The Civil Engineering Program, Room D1-331
Faculty of Engineering and Materials Science
e-mail: mona.anwar@guc.edu.eg

Workshop Program

Day 1, Saturday 9th of September 2017

Topic: Design of Concrete Structures

Prof. Dr. Balthasar Novak, The University of Stuttgart

Prof. Dr. Ibrahim Mahfouz, Benha University

Prof. Dr. Amr Abdel-Rahman, Ain Shams University

Dr. Ahmed Yousry, German University in Cairo

Day 2, Sunday 10th of September 2017

Topic: Steel Design and Seismic Design

Prof. Dr. Ahmed Elghazouli, Imperial College London

Prof. Dr. Sherif Mourad, Cairo University

Workshop

EURO 2017

**Eurocodes 2017 Workshop – The Eurocodes for Building Design
Eurocodes and Egyptian Codes of Practice: Code and Design Experiences
The German University in Cairo
7th to 8th of October, 2017**

Registration Form

Personal Data	
Title (Mr., Mrs, Miss, Dr., etc..)	
Full Name	
Affiliation	
Contact Information	
Email	
Mailing address	
City	
Telephone	
Mobile	

Registration fees:

For individuals: Registration fee is 1400 LE per participant

For groups: Registration fee is 1250 LE per participant

Fees includes workshop materials, lunch and tea/coffee breaks for the 2 days of workshop

For registration procedures, please fill in the registration form and send it by e-mail to the workshop coordinator (mona.anwar@guc.edu.eg) and you will receive e-mail with the payment details/procedures
