A new frontier for international exposure has been opened to all GUC students and staffs. After a successful visit of a delegation from Riga, Latvia to the GUC on February 27th, 2014, a delegation of GUC headed by Prof. Dr. Ashraf Mansour – GUC Prime Founder and Chairman of the Board of Trustees, including Amb. Nihad Zikry, Director of International Policy Planning and Ms. Yomna el Shazly, Head of Student Affairs visited Riga in the period from May 28th – 31st, 2014 to crown the long discussions with the counter delegation for the establishment of a successful relationship between GUC and Latvian Universities for cooperation on the academic, scientific, cultural and educational level.

The road of the collaborative discussions has been embraced by a distinguished event for signing a Memorandum of Understanding (MoU) of a framework agreement between Riga Technical University and the German University in Cairo.

The visit also included strategic meetings with high-ranked officials in the Latvian Ministry of Education, Higher Council of Education, Parliament and Investment and Development Agency of Latvia besides visiting Riga Technical University and Turiba University for exploring different opportunities and cooperation scopes in different fields.
